

7TH ANNUAL **DALLAS** CONFERENCE **March 20-21, 2020**

Live! By Loews
Arlington, Texas

TARGET AUDIENCE

Gastroenterologists, hepatologists, internists, family practitioners, surgeons, physician assistants, nurse practitioners, fellows/residents in training, registered nurses, and other healthcare professionals with an interest in GI and liver diseases.

CME LEARNING OBJECTIVES

Upon completion of this conference, participants should be better able to:

- Describe evolving patient management and treatment strategies for CLD and GI disorders
- Integrate significant advances in therapeutic and diagnostic modalities into their clinical practice
- Apply the latest clinical research, including future therapies and their role in the context of the current clinical paradigm

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Annenberg Center for Health Sciences at Eisenhower, the Gastrointestinal and Liver Association of the Americas (GALA), and the Texas Liver Institute (TLI). The Annenberg Center for Health Sciences at Eisenhower is accredited by the ACCME to provide continuing medical education for physicians.

The Annenberg Center for Health Sciences at Eisenhower designates this live activity for a maximum of 11.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC ACCREDITATION

Annenberg Center for Health Sciences at Eisenhower is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

A maximum of 10.3 contact hours may be earned for successful completion of this activity.

ABIM MAINTENANCE OF CERTIFICATION (MOC) POINTS

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 11.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

AMERICANS WITH DISABILITIES ACT

The event staff will be glad to assist you with any special needs (physical, dietary, etc.). Please contact us prior to the event at **877-925-9535** for assistance.

Dear Colleagues,

You are invited to the 7th Annual GALA Dallas Conference on Friday, March 20 - Saturday, March 21, 2020 at the Live! By Loews Hotel in Arlington, Texas!

This year's CME conference is guaranteed to provide an opportunity for attendees to receive a comprehensive update on GI and liver diseases from renowned faculty. Featured topics include viral hepatitis, non-alcoholic and alcoholic steatohepatitis, primary biliary cirrhosis, complications of portal hypertension, including hepatic encephalopathy and thrombocytopenia, hepatocellular carcinoma, C. difficile infections, diverticulitis, GERD, pancreatic cysts and irritable bowel syndrome. The conference will feature four lectures on inflammatory bowel disease (IBD) and consist of plenary lectures, panel discussions, and case-based parallel sessions.

Please join us for this educational conference by registering today! Thank you and we look forward to seeing you this March.

Sincerely,

GALA Conference Co-Chairs

Lawrence Schiller, MD (Baylor University Medical Center)

Mack Mitchell, MD (UT Southwestern Medical Center)
